Except for Capital Impact Investment Notes (“Notes”) sold to level-fee accounts, Notes offered to the public will be offered at the public offering price set forth in this Pricing Supplement. Selected dealers purchasing Notes on an agency basis for non-level fee client accounts shall purchase Notes at the public offering price. Notes purchased by the selected dealers for their own account may be purchased at the public offering price less the applicable concession. Notes purchased by the selected dealers on behalf of level-fee accounts may be sold to such accounts at the public offering price less the applicable concession, in which case, such selected dealers will not retain any portion of the sales price as compensation.

Neither the Notes nor the adequacy of this pricing supplement or the accompanying prospectus have been approved, disapproved, or passed on by the Securities and Exchange Commission (the “SEC”), any state securities commission, or any other regulatory body. Any representation to the contrary is a criminal offense.

Neither this pricing supplement nor the accompanying prospectus constitutes an offer nor the solicitation of an offer to sell to any person in any state or any other political jurisdiction in which such offer or solicitation may not lawfully be made. Neither this pricing supplement nor the accompanying prospectus constitutes an offer by a broker-dealer in any state where said broker-dealer is not qualified to act as a broker-dealer. Federal and state securities laws may affect Capital Impact’s ability to continue to sell the Notes in certain states.

The Notes are being offered under an exemption from federal registration pursuant to Section 3(a)(4) of the Securities Act of 1933, as amended, and Section 3(c)(10) of the Investment Company Act of 1940, as amended. The SEC has not made an independent determination that these securities are exempt from registration.

The Notes are qualified to be offered and sold in the District of Columbia and all fifty states of the United States, excluding Arkansas and Washington.
