

The Healthier California Fund

Grant Award Application

The Healthier California Fund: The Fund is a \$10 million partnership between Capital Impact Partners and The California Endowment created to increase access to quality health care for low-income and uninsured patients across the state, and to support the growth and innovation of California's Community Health Centers.

Award Overview: The Healthier California Fund will provide up to 3 grants of between \$10 Thousand and \$30 Thousand each to assist California Federally Qualified Health Centers (FQHCs) and FQHC look-a-likes that need assistance in planning and executing capital projects that will enable the health centers to more efficiently provide whole person care to its patients and/or expand its services. Awards are intended for uses that will make a project finance ready and will result in the completion of capital projects within 12-24 months.

We Invite You To Apply Today!

Applications are due **Friday, June 30, 2018** with awards to be announced in August 2018.

Email application materials to **Nicole Boone, Business Development Officer**, at nboone@capitalimpact.org by June 30th, 2018.

Have questions? Contact Nicole via email or phone at 510-496-2225.

Applications will be judged on the following criteria:

- Capital Project should promote innovative whole-person care including integrated behavioral health services, care in the community, and wellness and prevention.
- Capital Projects should have a target completion date within 12-24 months of grant award
- Funds should be used for activities that the health center would otherwise not be able to complete on its own, either because of lack of financial resources or because of lack of internal capacity.
- Project team has necessary experience to complete project and the project is financially feasible.
- Projects serving the most underserved communities will be prioritized.

Qualifying uses may include but are not be limited to:

- Financial projections
- Project scope and design
- Feasibility studies
- Operational improvement plans
- Risk and benefit assessment for board

Professionals that may be engaged using grant funds include, but are not limited to:

- Financial consultants
- Accountants
- Architects
- Project management consultants
- Engineers
