Documents Applicable To Loans To Tenant

Lease/Ground Lease

Depending on the type of leasehold interest and the type of loan, the landlord may need to enter into a recognition agreement and/or a consent and estoppel agreement as part of the loan documentation

*Disclaimer: The requirements listed above are general in nature and do not reflect any loan specific due diligence that may be required by Capital Impact. Therefore, there are requirements above that may not be applicable to your loan transaction as each loan transaction is unique. All requirements will be disclosed in a comprehensive closing checklist delivered if and when your loan is approved and a commitment letter is executed between Capital Impact and the borrower. Delivery of the items listed below will not relieve the borrower from complying with all requirements set forth in said commitment letter and additional requirements may be added as Capital Impact reviews the submitted due diligence.
