Capital Impact Partners is expanding financing options for projects in underserved communities by offering qualified borrowers access to long-term loans that could significantly reduce your organization’s monthly debt service.

Through a federally guaranteed program we can provide your organization with fixed-rate, long-term financing that will support your financial stability and control facility costs.

**KEY FEATURES**

- Affordable permanent loans to build stronger communities
- Up to 25-year term, fully amortizing note
- Ability to take advantage of today’s historically low interest rates
- Opportunity to refinance a balloon payment, floating interest rate, or rate reset
- Fixed interest rate for the full term of the loan
- Low transaction costs

This financing can be applied to a variety of projects that serve low-to-moderate-income people, including charter schools, childcare centers, healthcare facilities, supermarkets, affordable housing, senior facilities and commercial real estate facilities.

We invite you to apply for long-term financing through Capital Impact Partners.
